PRESENT: Mr. Dulles, Gen. Cabell, Mr. Wisner, Mr. Amory,

Mr. Dulles:

25X1

b) Reported on his conversation with the President yesterday regarding the proposed letter from the President to the NSC respecting coordination of intelligence and noted that the President was in general agreement but had suggested that the matter be discussed with the Chairman, JCS. Mr. Dulles said he had talked with Adm. Radford yesterday afternoon and he (Radford) stated he would like to circulate the letter to the other members of the JCS. The Director noted his intention of reading the proposal at the IAC executive session, however, Mr. Amory suggested it might be more politic if the members of the committee were advised by telephone. The Director agreed and asked [redacted] to do this.

General Cabell:

Recommended that the Director again attempt to find out State Department policy on Indonesia. The Director agreed to do this.

Mr. Wisner:

Referred to the possibility of an invitation being issued to Zhukov to meet with Secretary of Defense Wilson and recommended that the Director seek guidance on how this should be played in the light of the U.N. report on Hungary, i. e., should the butcher of Hungary be acknowledged and invited to visit the United States?
